

# Friends of Walla Walla AAUW

(working title)

1. The Friends of WW AAUW category will be open only to persons who do not meet the educational criteria to qualify for AAUW membership.
2. Friends will be welcomed and treated the same as other branch members except that they cannot be National or State AAUW members and therefore cannot hold an elected board position. However, they can hold any other leadership role.
3. Dues will be equivalent to the dues paid by Branch members and will go to help support branch expenses. None of the dues will go to national or state AAUW, so no national or state benefits can be included with a Friend's membership.
4. If the education criteria for membership changes in the future, all persons in the Friends category will be moved to full membership, and the Friends of Walla Walla AAUW category will be dissolved.
